

ASB Awareness Week 19-25 July

19th July 2021

Avon and Somerset Constabulary has joined a national campaign that is bringing together people and organisations from across the country to take a stand against anti-social behaviour and make our communities safer.

We are all being encouraged to take a stand against Anti-Social Behaviour. Too often we hear people dismissing ASB as high-spirited youngsters larking about, but such action can have a detrimental effect on the wellbeing of others, which can lead to victims of ASB being persistently targeted.

Chief Inspector Rob Cheeseman (Force Lead Officer for Anti-Social Behaviour) said: "This is a very exciting and important week to be part of. To have the opportunity to raise the awareness of Anti-Social Behaviour to our communities is fantastic. It can never be underestimated the affects ASB can have on the victims, and I want to encourage all victims of Anti-Social Behaviour to have the confidence to report incidents to the Police and allow us to investigate, deliver problem solving and signpost victims to partnership support services".

Don't tolerate ASB, don't ignore it, report it via 101 and let the police deal with it.

Hot Weather Reminder

As desperate as you may be to keep cool, don't forget you could get more than a cooling breeze through that open window!

Do not leave windows open in unattended ground floor rooms.
